21st November 2018

Dear Parents,

Year 4 – First Aid Workshop

Next week, on Wednesday 28th November 2018, we are able to offer a First Aid workshop to the children in Year 4. The workshop is called “Flat Stan” and it has been developed to allow First Aid skills to be taught to Primary School aged children. These life skills will be taught in a fun and enriching way during the morning. It will provide the children with the skills and knowledge to recognise a variety of First Aid situations and how to deal with them and summon help.

In the past, we have used the St John’s Ambulance for such sessions and they did not charge. However, they are not currently in a position to offer this service. We did not want the children to miss out as we have seen the benefits it has brought to children in previous years. As a result, we have managed to source this alternative provider but, unfortunately, this has come at a cost, which we are willing to subsidise. However, we are asking for a voluntary contribution of £3.00 per child for the session to help us to meet this cost, which does provide good value for what is a very important life skill.

Please could you complete and return the slip below, along with your voluntary contribution by Wednesday 21st November. Thank you for your continued support.

Yours sincerely,

Miss Morton
