

# Welcome!

From Finstall First School Parents' Association

## Welcome to Finstall!

Firstly hi, and welcome! It can be pretty daunting starting a new school, not only for the children but for the parents too! We hope this information is helpful and provides you with an understanding of what the Parents' Association (PA) is and what we do to support the school and the families who are part of the school community.

## What's the PA all about, then?

We're a registered charity set up to support the school with fundraising activities, and although not part of the school, we work closely together to raise money for things that directly benefit our children. In the past, we've funded playground equipment, IT equipment, reading books and school trips.

There's a PA committee of five of us - Ruth, Holly, Sarah-Louise, Suzanne and Louise; we all have children at the school and we're supported by a team of fantastic volunteers, who help out when they can and do as much or as little as they want, with flexibility to suit them and no strings attached.

We hold a variety of events and activities throughout the school year such as the Summer fete, Christmas fayre, uniform sales, Quiz nights and sponsored activities which help to raise money to fund things the school wouldn't normally have the budget to cover. This year we're raising money to enhance and update the IT suite, as well as subsidising school trips.
